## December 2023 – Graduate and Celebrate

### 1<sup>st</sup> Experience – Hathor

What is Hathor's role in life? Who is she? What impressed you about her?

Lesson – Observing leaders as to how they present themselves and their roles is the key to creating your personal leadership style.

### 2<sup>nd</sup> Experience – Your 2023 Growth

Were you surprised when Hathor shared how she has been observing your growth this year as you were learning to know yourself better?

Lesson – Our guides and angels are always watching over us to assist us in our spiritual growth during our time here on planet earth.

### 3<sup>rd</sup> Experience – 3 Lessons You Learned in 2023

What are the 3 lessons you chose to use as the ones you needed most to know yourself better so that you will be able to *manifest your desires* in 2024?

Lesson – Choosing and committing to learn and develop powerful spiritual lessons will help you create the life you dream to live.

### 4<sup>th</sup> Experience – Graduation Ceremony

Why do you believe Hathor greeted you with such excitement when you arrived in the Land of Enchantment for the graduation ceremony?

Lesson – It is extremely important and valuable for you to realize when you have reached a mile marker of success to take the time to graduate and celebrate your commitments.
